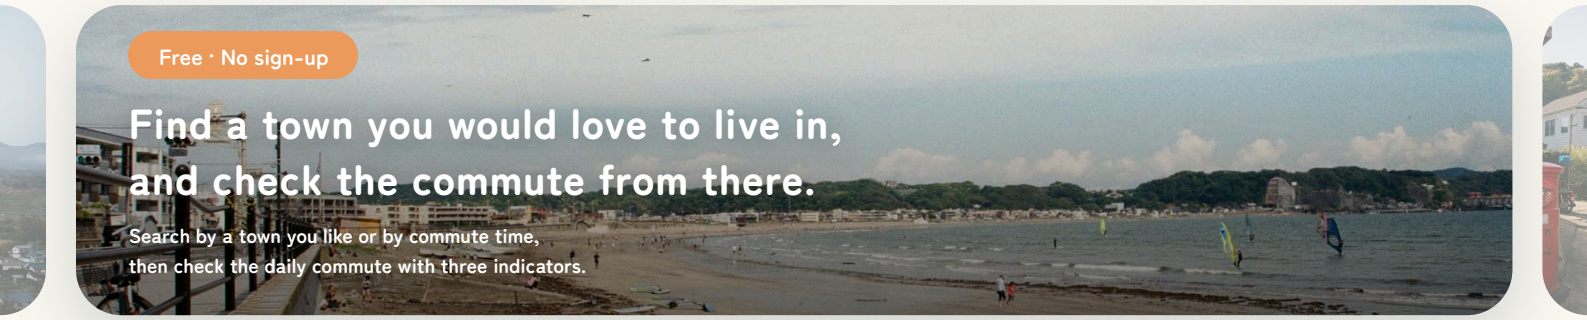
Relocation Comfort Checker 移住快適度チェッカー

For anyone thinking of moving



Free · No sign-up

Find a town you would love to live in, and check the commute from there.

Search by a town you like or by commute time,
then check the daily commute with three indicators.

What if you lived in that town? Check your daily commute

Just choose a place by town or by commute time.
Three indicators show how comfortable the commute is.

1 Find a town
2 Enter your workplace and time
3 Check

Two ways to search, plus filters HOW TO FIND

From a town you like

Choose a prefecture and city, or a postal code, then check from a station there.

From commute time

Find places within a time range, such as "within 2 h 30 min" of your workplace or school.

Filter by features and support

Near the sea | Mountains | Hot springs
Cool summers | Snow country | Historic streets
Relocation grant | Regional revitalization corps

In the office just once a month? See how far away you can live.

- ✓ Search towns up to 3 hours from work
- ✓ Filter by sea, mountains, hot springs
- ✓ See ride time, transfers and crowding
- ✓ Find towns with relocation support

How to use: 1 Choose how to search ▶ 2 Enter workplace and arrival time ▶ 3 See the results

Search by town features FIND BY FEATURE

Also hot springs, snow country, cool summers and more: 11 features in all.

By the sea

Find a new home among towns facing the sea.

Surrounded by mountains

Find a new home near mountains or highlands.

In the countryside

Find a new home among fields and forests.
